## Certificate of Compliance

This document certifies that all components and all homogeneous subcomponents manufactured by Würth Elektronik eiSos GmbH & Co.KG are in compliance with the Directive 2011/65/EU and 2002/95/EU of the European Parliament on the restriction of the use of certain hazardous substances in electrical and electronics equipment (RoHS Directives) and are applying to the amendment of Directive 2010/571/EU, which replaces the Annex of Directive 2002/95/EC.

As Würth Elektronik eiSos GmbH & Co.KG is manufacturer of electronic components and products are not placed or made available direct to the market for consumer and end-customer, we are not bound to label our products according to Article 7c) of Directive 2011/65/EU. On request of any government agency Würth Elektronik eiSos GmbH & Co. KG will provide necessary documents, which verify the compliance to Directive 2011/65/EU based on harmonized standards. Our suppliers are contractually bound to be compliant to the Directive 2011/95/EU.

The components shall be deemed to be compliant according to definitions given in the Directives 2011/65/EU and China RoHS ACPEIP (Administration on the Control of the Pollution caused by Electronic Information Products).

Additionally we certify the non-use of:

- Ozone depleting substances excluding HCFCs ( - hydrochlorofluorocarbons) according to the Montreal Protocol
- Halogenated organic compounds such as  
PCBs ( - polychlorinated biphenyls),  
PBDEs ( - polybrominated diphenyl ethers),  
PBBs ( - polybrominated biphenyls),  
PCNs (Polychlorinated naphthalene),  
Deca-BDE ( - deca-bromodiphenyl ether)

in our products.

This document certifies furthermore, that all parts dedicated for reflow soldering can be processed in reflow soldering processes according J-STD-020D (Table 4.1 , 4.2 and 5-2) and Würth Elektronik eiSos recommendation document "Solder Profile for lead free reflow process", Version 4.

As the appointed Environmental Management Representative I am entitled and authorized for and on behalf of Würth Elektronik eiSos GmbH & Co. KG to provide this statement.

Holger Kaufmann  
Environmental Management Representative
