**BREXIT – Assurance of Supply Chain**

Dear Valued Customer,

Firstly we would like to thank all our customers for your ongoing support, you make us who WE are.

Like all businesses, we have had to adapt to the changing market and as we are nearing the end of the year, more queries with Brexit arise. With that in mind we would like to confirm that come what may, WE are ready:

- **STRONG SUPPLIER** – Würth Group has been, and remains, A rated by S&P Global Ratings, assuring our Financial Stability.
- **STRONG SUPPLIER** – WE UK has EORI numbers GB896699525000 and IE3610776UH in place for continued supply for both UK & EU.
- **STRONG SUPPORT** – Würth Electronics UK remains a full team with no reduction in employee numbers or customer support planned.
- **STRONG TECHNICAL SUPPORT** – Our technical sales team are able to offer solutions with FAE and engineering support, providing a higher expertise where required.
- **STRONG FREIGHT NETWORK** – Close contact with our logistics partners to be best prepared, including INCOTERMS adjusted where appropriate in mutual agreement with business partners.
- **STRONG FREIGHT NETWORK** – We do not anticipate any delays to shipments but we will adjust shipment dates from our warehouses to ensure that you do not feel any impact to our service. The early ship will be until we know for sure how quickly we can get our parts to you, just in time orders could be affected.
- **STRONG IT INFRASTRUCTURE** – Systems updated and checked, ready for additional paperwork handed by us and our freight partners; no extra work for you where our shipping taken.
- **STRONG COMMITMENT** – WE support scheduled orders, buffer stock, call off arrangements and frame contracts across our network.\*
- **STRONG COMMITMENT** – Where possible WE can confirm placed orders give certain fixed prices and potential duty changes covered by WE.\*

\* Please contact your sales representative for more details – across our divisions we may have different approaches
